**ANNUAL PRODUCTION SALE**

---

**FRIDAY 20th AUGUST 2021**

# Welcome!

**WE WARMLY** welcome you to our fourth annual sale! We hope the season has been kind to all and that the recovery process from the drought of recent years is progressing to your satisfaction...

What a dramatic time we are living in. If drought and a pandemic weren't enough, lots of us are contending with mice in plague proportions. We are thinking of those who are suffering throughout this and hope it comes to a swift end. Australian farmers sure have to be made of tough stuff.

The Hereford Breed has enjoyed a particularly good twelve months with some excellent market results. Hereford Producer, Injemira Beef Genetics, realised an MSA Index of 61.3 for over 1600 bodies, placing them in the top 10% of the entire industry. A remarkable result given that the Hereford Breed has less animals sold than some other breeds and proof of the Hereford's superiority with respect to carcass yield and quality.

Here at Warragundi we have been fortunate, the rain has fallen at the right time and the summer was mild giving the 2021 Sale draft, a fantastic preparation. They enjoyed the winter of 2020, when yearlings, on an oat crop and have been on the 2021 crop since late March.

Selected bulls were given a light show preparation during the summer (late December through to late March), as we were planning a show campaign. Due to the uncertainty surrounding the covid situation we decided against pushing on to the Sydney Royal Show. Instead, we have nominated four bulls for the ACM Sire Shootout, an online competition which was held for the first time in 2020. They are Lot 2, Warragundi Anzac Q078, Lot 3, Warragundi Missouri Q005, Lot 5, Warragundi Minnesota Q003 and Lot 4 Warragundi Anzac Q027. The judging will take place in early July.

We are proud to present to you our draft of 30 bulls, amongst them some of the first sons of Warragundi Minnesota, the 2018 Urquhart Trophy winner, as well as his counterpart, Warragundi Missouri. Also, resident sire Injemira Anzac L027, continues to kick on with consistently impressive progeny. He has definitely been an asset to our breeding program and has left us with superior replacement females.

On offer also, are our last sons of Yalgoo Jet, who has also been a fabulous addition to our herd, leaving his legacy through his daughters.

There are sons of Rayleigh Mason and a son of Warragundi King Of Kings (DUBBO National Champion 2016), Warragundi Johnny Reb (sire of Minnesota) and a son of Injemira Anzac H006.

It is our aim to present for your inspection, bulls that not only catch your eye in the flesh, but also look good on paper. We strive to make sure we achieve the balance of breeding an excellent looking animal as well as one with impressive figures and believe we are ticking the "eye appeal box" as well as the EBV one.

We value highly the importance of a docile temperament in our cattle. We take pride in breeding manageable animals that make your animal husbandry safe and enjoyable. All calves at Warragundi are yard weaned and cattle movements take place by horse or a combination of horses and side-by-side vehicle. We do not use dogs.

Please enjoy perusing the 2021 catalogue and don't hesitate to contact us for further information.

We hope you can join us at the 2021 Sale and look forward to seeing you!

PRE-SALE INSPECTIONS CAN BE ARRANGED BY CONTACTING DEB OR MATT

## **PREFACE**

This is our fourth annual production sale to be conducted at “Warragundi West” Currabubula. Inspection of all sale bulls will commence at 9.30am Friday 20th August. Sale commences 1.30pm.

## **INSPECTION**

We encourage buyers to inspect our cattle prior to the sale. This enables us to discuss and share our knowledge of the bulls and genetics we are offering and what may suit your operation. We can arrange for pre-sale inspections at any stage leading up to the sale. Please contact Deb 0429 659 385, Matt 0498 687 608.

## **LIABILITY**

Some of our poll Hereford sale bulls have been broken in and all have been handled extensively. Under normal conditions on our farm they are very quiet to handle. Being put on display and having strange people enter the pens creates an unusual atmosphere for these bulls. We ask people to exercise caution and common sense in this regard. Attendance at our sale is at your own risk. Children must not enter bull pens under any circumstances. No responsibility will be accepted by the Kelley family or its employees or agents for accidents that occur on our property.

## **DISCLAIMER**

While care is taken to ensure accuracy of information in this catalogue at time of publication no responsibility will be accepted by us for any errors or omissions. Buyers rely solely on their own enquiries when buying our cattle.

## **TERMS AND CONDITIONS FOR SALE**

As displayed on sale day.

## **AGENTS' REBATE**

We offer outside agents 2% when they introduce buyers in writing to Elders or DCCO/Ruralco at least 24 hours prior to the sale and attend on sale day.

## **TRANSPORT**

Delivery can be given at the completion of the sale. We can arrange delivery within NSW and Southern Queensland. All care, but no responsibility, will be taken in delivery.

## **SUPPLEMENTARY DETAILS AND GENE TESTING**

All sale bulls were EMA, Fat scanned and scrotal circumference measured in February 2021 by Roger Evans. All results were submitted to Breedplan. Bulls will be further scanned and frame scored in July by Roger Evans. An updated supplementary sheet including Average Daily weight gain and actual weights will be provided the week prior to sale day. All bulls have been genomically tested.

## **VETERINARY**

- All bulls have been tail hair tested for Pesti virus and all bulls offered have tested negative.
- All sale bulls have been Pesti Virus vaccinated twice. All stud males and females are pesti vaccinated on an annual basis with regular testing undertaken.
- All bulls have been regularly treated with 7 in 1.
- All bulls have been vaccinated with Vibromax twice.
- Warragundi is a J-Bas 7 accredited herd and have undertaken necessary testing to comply with this requirement.
- All bulls will be semen tested by Piper St Vet Clinic in July.

## **ACCOMMODATION AND TRANSPORT**

There is excellent accommodation in Tamworth, Quirindi and Gunnedah. Transport from Tamworth and Tamworth airport can be arranged.

## PROGENY BUYBACK

The Warragundi program goes way beyond simply selling bulls. In 2017 our commercial operation turned over 980 commercial heifers. We are hoping seasons revert to normal to enable us to repeat this. Purchasing back progeny by our bulls is of high interest to our commercial operation. This enables us to performance record these animals through the MSA system or to join and on sell mated heifers. Please do not hesitate to discuss the commercial aspects of our operation with ourselves or Luke Scicluna.

## BREEDPLAN

We have been performance recording within our herd on a comprehensive basis since our studs inception. We have a 4 star rating for herd completeness under the breedplan system. We record data across our whole herd on an ongoing basis so you can be assured there is strength in the data we submit to breedplan. For more information on Breedplan, please see [www.breedplan.une.edu.au](http://www.breedplan.une.edu.au)

	Breed Average EBVs for 2019 Born calves													
	BW	200	400	600	MCW	MILK	SS	D to CALV	CW	EMA	RIB	RUMP	RBY	IMF

## AFTER SALES SERVICE

We are seeking to build relationships within the beef industry that goes well beyond simply selling a bull. We plan to achieve this commercial interaction through our Progeny buyback scheme. We are here to assist in any way we can post purchase of your bull.

## GST

GST will be added to the purchase price at the fall of the auctioneers hammer. You will be invoiced the purchase price + GST.

# Warragundi rises to top

## Hereford supreme honours to Kelleys

BY JEREMY GRAHAM

**A**S MONTHLY OLD full blood Carabada to win and NSW standard was of the Hereford King of the Sydney Royal Easter Show, crowned the best subject after a grueling day of competition.

Seven days breeders from five states brought 200 grey cattle to Sydney in a special classification which showed there is no need for Herefords to give second halves to any other breed.

Hereford was the premier breed class of the year's show. In the first two years 2010 - and even awarded before several rising international judges, FJ Butler from Fort Florida, Texas.

But he found a lot of grey cattle in the show, as he pointed out, and clearly demonstrated his judging decisions were a large influence.

At least the Sydney showing was made with Herefords with both forward and full cattle coming together for the judging.

And the last animal standing after the day of competition was the 107kg live, Warragundi Missouri, exhibited by Matt and Deb Kelley, Warragundi Beef Company, Carabada.

Missouri was the only one not to lose weight in the 2010. The 4 and Sydney Royal Hereford, Mike Clarke, Warragundi had a name in Sydney. Steve as a junior but had Mr Kelley said he had looked at the win-

**WARRAGUNDI WONDER.** The best Hereford exhibit, Warragundi Missouri, with the judge, FJ Butler, owners Matt and Deb Kelley, Carabada, and Scott Horn, Belkora, representing Herefords Australia.

Paul Jamieson, Shire and stock manager, Delina, shows the champion Hereford lamb, 4 months old, sold by James McWilliam with the judge, FJ Butler.

Britney, Sykes, Missouri Herefords, Victoria, holds the champion Hereford bull calf, Graham Kincaid, exhibited by Jason Graham, Graham Herefords, Coomeroona.

dition to make an impact.

He made an impact they take on the judge, Mr Butler, who said he had the pleasure to make his mark on the Hereford breed as well as the world.

Mr Kelley described Missouri as "a King all the time" when he, who had had an interest in the 21-20 month bull class. He had the biggest eye muscle score (E.M.S.) of 141 compared to the 129 Hereford bulls provided in Sydney.

Missouri gave the Kelleys their first best paying animal and was named Carabada Cup for superior Hereford animal at Sydney.

"It's a massive deal," Mr Kelley said. Missouri will be used in their 200 head stud herd but before being offered for sale on property in August. Missouri was sold by Warragundi Beef Co. to Scott Horn, Belkora, Page 1030.

He had to overcome the

intense heat, insects and great champion female Karabada May 1875, exhibited by James and Melissa McWilliam, Mike Smith and Mack Baker of Karabada Hereford, Delinook.

Karabada May was making her first show appearance and started her march to glory by picking up the best cow scored 19-20 months female class.

Mr Butler said Karabada May, by James David and Karabada Premier Day 1881

was an elegant and powerful young female with proven dual potential.

May earned the same female champion, Karabada May 1877, exhibited by James McWilliam and the first female's female Hereford at Sydney for the grand female female.

Her name 1877, with a better calf at foot, was by Karabada Premier Day 1881. Mr Butler said the animal

champion cow was well balanced from the nose to tail, had an excellent udder and was doing a great job on her calf.

The seven champion female head 1880s were by Clarence, Karabada 1881 exhibited by Christine and Nancy Adams, Delinook. Mr Butler said Karabada and her bull calf were a remarkable pair. "Down the calf," he said.

Intermediate champion bull was won by the Karabada Premier 1875 exhibited by Neville Shannon, Bruce McArthur, Tomerwell, APL with Karabada 1881. Mr Butler, taking the award to Karabada 1881, Karabada 1882.

The cattle champion bull award went to Graham Kincaid, exhibited by Jason Graham, Graham Herefords, Coomeroona.

The seven champion calf bull was won by Tyrone Owen 1878 exhibited by the Greening family, Tyrone Paul Herefords, Barabur.

The seven champion award bull calf was awarded to Graham Kincaid, Karabada 1875 shown by Tyrone Owen 1878 and 1880.

The seven champion female Hereford award went to Karabada 1875 shown by Jason Graham, Graham Herefords, Coomeroona.

The champion calf female award went to Karabada 1875, Delinook, with Karabada 1881 shown by the Greening family, Tyrone Paul Herefords, Barabur.

The judge, Mr Butler, said the international and all female classes were studied with quality.

Throughout the judging process Mr Butler showed a number of times the opportunity to give a calf to the best bred, biggest

# Hereford nabs Urquhart

## Kelleys take holy grail of beef show

BY KERRON GRAHAM

**T**HE Kelley family from Carraberrina in south-west NSW have won the holy grail of the Sydney Show beef ring, the coveted Urquhart Trophy, with their winning young Hereford bull, Scargood's Minerva. Minerva, a 16-month-old steer, was a finalist in the 2018 Sydney Royal Easter Show after finishing with 200 plus votes in the Hereford judging and then outclassing the best and female champions from all the major beef breeds.

Minerva, 23 months old and weighing 1070kg, caught the eye of international judge, Pi Baden, Euro World, Texas, an issue on her muscle from the Hereford ring for the 24.30 months class.

"The ticks all the boxes. It's a really nice complete bull with defined topline," he said.

And he says taking the trophy as his personal achievement and grand achievement bull and best Hereford raised before having all content in the Urquhart.

Mr Baden was back at the judging ring for the Urquhart when he was joined by Chris Dalling, a large scale small and commercial Angus breeder from Ben Nevis Grazing Company, Wyalah, and Gary Walker, Queensland Cumbria stud, Dalby, QLD.

Winning the Urquhart topped a remarkable three for Matt and Deb Kelley.

Deb, Alex and Matt Kelley, Scargood's Beef Company, Carraberrina, at the Urquhart presentation with Chris Vazson, Mackellar, Gary Urquhart, Wyalah, and RAE Latta, committee chairman, Greg Watson, Queensland.

Chris Vazson, Mackellar, spotted the international champion female, Myanga Lady Linnax, imported by Scott Myers, Moss Vale, with Scargood's Borealis of breeding her calf.

They grew up based with Minerva as well as collecting various and their offer him for sale on property in Angus.

Mr Kelley said they had a high opinion of Minerva from the time he was a small calf.

"We thought he was quite special," he said.

Minerva was sired by a Hereford bull, Scargood's Liberty Red 30, sired by one of champion Pi Hereford bull at Sydney Royal in 2015.

Mr Kelley said winning the Urquhart was "unbelievable".

"There were three great judges and three votes. I was shaking like a leaf."

At his time \$12,000 prize, Mr Kelley said he hopes would cover the cost of being at the show.

"I love doing this [winning]. It's my own, my hobby."

The Kelleys ran about 200 head Hereford and broke around 2000 each a year.

Amy McDougall, Bakers, the judge, Jeffrey Job, and James and Belinda McWilliam and Mark Baker from Emerald's Livestock with the superior international female.

66

I was shaking like a leaf. This is unbelievable

Matt Kelley, Urquhart Trophy winner

They also have a small Wagyu stud.

Minerva began her run at the Urquhart Trophy by leading the Sports Park and Angus grand champion bulls.

The show method made

the show record champion female, Myanga Lady Linnax 1.226, which later made up half of the winning Hereford prize.

Winning both classes was no easy feat because she was a high-quality female.

## HOLBROOK STUD TAKES INTERBREED HEIFER HONOURS

The Hereford breed added to its sparkling Sydney Show performance when a 16-month-old female, sired by Scargood's Liberty, Holbrook, was crowned interbreed heifer champion. May 2017 had a great year in the Hereford female judging ring taking the interbreed, junior and grand champion female honours.

Routinely Liberty is supported by James and Belinda McWilliam, Moss Vale and Matt Baker.

The heifer judge, Jeffrey Job, a member of one of Australia's leading stud breeder knowledge facilities, noted about the quality of the heifer presented before him.

"It is an amazing sight to see someone taking heifers," he said in a packed ring.

In the end Mr Job was moved the field of view to show - the champion Livestock Angus and Hereford. Mr Job said the champion Nick Livestock heifer, Myanga Lady Linnax, was a "super" in terms of body and freedom of movement.

She was evaluated by Scott Myers and Belinda McWilliam from Emerald's Livestock, Moss Vale.

The Angus contractor, Mr Linnax's Mr Strain, was pleased in the all-out opening Peter Sandy from Pine Creek and, Colin.

"That is a super event, isn't it? Isn't that fun?" Mr Job said.

Mr Job also noted Scargood's Liberty as a "super female" and the "complete package".

And he finally gave the nod to Scargood's May, by Scargood's Power They Show us of Scargood's May 2136, who picked up \$12,000.
